1941 FALL SPORT CAPTAINS ANNOUNCED AT TRADITIONAL CHRISTMAS DINNER

PICKETT, JARVIS ELECTED

LEADERS; WILLIAM J. BINGHAM
HEADS LIST OF SPEAKERS

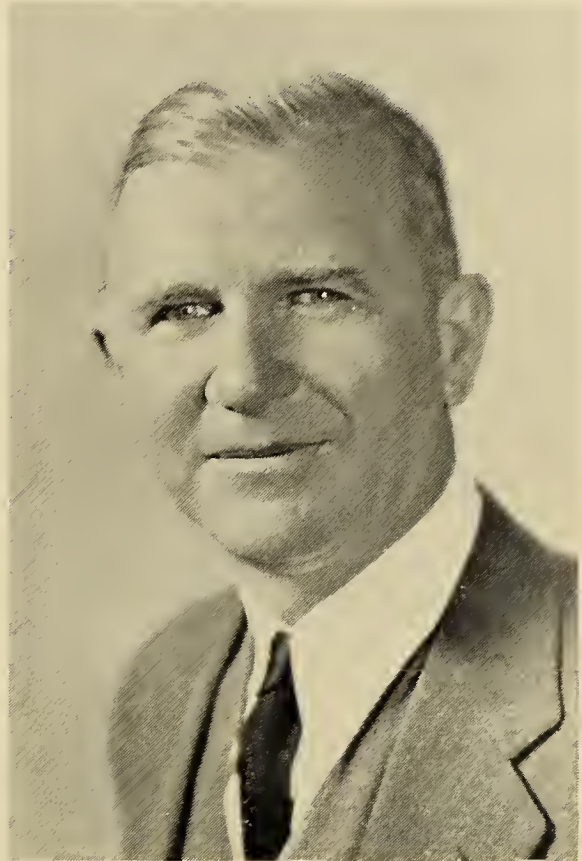

Governor Dummer Academy's annual Christmas Dinner, held in honor of the football and soccer teams, took place this evening in the Lang Gymnasium. Head football coach Arthur W. Sager announced that Robert A. Pickett of Cooperstown, New York, had been selected by the lettermen to lead the eleven next Fall, and Mr. Howard J. Navins, soccer coach, reported that David S. Jarvis of Worcester had been elected captain of the soccer team.

Pickett was easily the outstanding player during the Governor Dummer football season. Weighing about 190, yet very fast and clever on his feet, he was an ideal fullback. His tremendous drive and power carried him for many extra yards when an ordinary back would have been stopped, and his smashing line bucks made him the leading scorer on the eleven. No less outstanding was Pickett's punting, for he averaged from 38 to 42 yards per kick in every game.

The newly elected soccer leader, Jarvis, has been a member of the varsity team for two years, and during this season he was the high scorer of the team. Jarvis plays center-forward and has proved himself to be one of the outstanding team players. He has a tremendous amount of competitive spirit and is a fine man under pressure.

The Toastmaster of the Dinner was Mr. Herbert A. Pickett, father of the new football captain. Mr. Pickett, Headmaster of Cooperstown Academy in Cooperstown, New York, was himself an outstanding athlete, starring as a track man at both Andover and Yale.

The feature speaker of the evening was Mr. William J. Bingham, Director of Athletics at Harvard College. Mr. Bingham is one of the best-known of the college athletic heads in the country. Through his work the famed intramural system at Harvard was instituted and he was responsible for bringing Dick Harlow to Cambridge as football coach. Mr.

Photograph by Vantine
MR. WILLIAM J. BINGHAM
Christmas Dinner Speaker

Bingham is further noted for his forthright stand against subsidization of college athletes. He has also for many years been a member of the Football Rules Committee.

Mr. Eugene S. Wilson, Alumni Secretary at Amherst, also spoke on the program. Mr. Wilson while at Amherst starred in football and baseball, being captain of the latter sport.

Mr. Sager awarded the football letters to the following players: Linemen: Harry C. Barr, Jr. of Reading, G. Davenport Bowker of Worcester, Richard N. Coffin of New Bedford, Clayton E. Currier of Haverhill, Norton Cushman of Bennington, Vermont. John D. Eshelman of Lancaster, Pennsylvania. Norman Feinberg of Newton, S. Gordon Johndroe of Concord, John H. Mortimer of Bronxville, New York. Feaster H. Newton of Dover, New Hampshire. Richard B. Rowe of Lancaster,

(Continued on Page 8)

Vespers

October 27: The Reverend Norman D. Nash, Headmaster of St. Paul's School, Concord, New Hampshire.

November 3: The Reverend George E. Cary of the First Church of Christ, Bradford.

November 10: The Reverend Leonard H. Hildebrandt of the Byfield Parish Church, Byfield.

November 17: The Reverend Alfred G. Baldwin, School Minister of Phillips Academy, Andover.

November 24: The Reverend William W. Patton of the Glen Ridge Congregational Church, Glen Ridge, New Jersey.

December 1: The Reverend Richard A. Cartmell of the Ascension Memorial Church, Ipswich.

December 8: Mrs. Nancy Dorr Stone.

Dr. Nash took truthfulness as the subject of his Vesper talk. He pointed out the destructiveness of lying and showed how it can demolish human welfare. Everything in life, he said, is based on the principle of truthfulness, and truth-telling has the preeminence over all else in life.

* * *

The necessity of training our powers, both physical and mental, to bring out the finest aspects of our character was explained by Dr. Cary. When this training is achieved, he pointed out, it will bring the light of God into our character and will increase our natural endowments.

* * *

Dr. Hildebrandt brought out three points which will help us to go forward in life. The first is to be able to distinguish between the worthwhile things and those which are merely ornamental and flashy but have no intrinsic value. The second point is to learn to work in the service of others. Do not be selfish, he warned, and do not do everything for yourself alone. The final point is to realize that silent determination will accomplish more than loud talk.

* * *

No problem in life is too great for us to overcome said Dr. Baldwin, for God has given us the inner strength to direct our lives towards the great and the good. We must recognize that we live in a world of conflict, but with openmindedness, conviction, and

courage we can work out a successful way of life.

* * *

Dr. Patton spoke emphatically of the deadly conflict which exists today between the principles of democracy and the age-old philosophy of despotism. The menace to democracy is from within and not from without; restive groups harbor secret resentment and may cease to care for the privileges of liberty.

The defense of democracy is paradoxical; we must be tolerant, but we must reaffirm our faith in common man, in reason, and in the power of truth.

* * *

In the world today, said Dr. Cartmell, there are two major opposing philosophies, force versus trust. Democracy stems from the latter, for it believes that man can be trusted and that he has a soul and is noble. It is just being rediscovered that democracy stands on Christianity, and the neglect of this principle has hastened its failure. To remain flourishing and vigorous, democracies must learn to make Christianity work in a practical living way.

* * *

In place of the usual Vesper speaker Mrs. Stone gave a short concert on the piano. She played three pieces, a Rhapsodie by Brahms, Lento by Cyril Scott, and the Revolutionary Etude by Chopin. A large portion of the service was also given over to the singing of Christmas Carols.

NEW BUILDING UNDER CONSTRUCTION

Photograph shows the new addition as it begins to take definite shape. The picture illustrates how it joins with the wing on the left, which was built in 1936 and which houses the dining hall and kitchen.

Item I Give Devise & Bequeath unto the Rev^d Mr Thomas Foxcroft
& the Rev^d Dr Charles Chauncy, ministers of the first Church in
Boston aforesaid, & Mr Nathaniel Dummer of Newbury in the
County of Essex, my Dwelling house & Farm and all my Real
Estate lying and being in Newbury, to be to them & their heirs
and the Survivor or Survivors of them, and the heirs of such
Survivor forever, but upon this Special use and Trust viz^t
that the whole of the Rents, Issues, and profits thereof, shall in
the first place be appropriated, laid out, & expended in the
erection, building & finishing a Grammar School house, to
be erected on the most convenient part of my said Farm,
according to the appointment of the then minister of the
Parish of Byfield so called in Newbury aforesaid, and five
of the principal Inhabitants Freeholders of said Parish
that shall be elected at the annual meeting of said Precinct
for that purpose; and after the said School house is built as
aforesaid, that then the said Annual Rents, Issues and
Profits shall forever be appropriated and set apart towards
the maintenance of a Grammar School master in said School
according

EXCERPT FROM GOVERNOR DUMMER'S WILL

Photostat of a portion of the first page of the will shows the item in which Governor Dummer bequeaths his land in Newbury for the founding of a grammar school.

MORE BRIEFLY

Bill Davison, English exchange student, has recently made two talks on his experiences in England and the war conditions there. On November 19 he addressed a supper meeting of the Newburyport Kiwanis Club and on December 6, 7, and 8 he attended a conference of older boys sponsored by the Y. M. C. A. organizations of New York State and Massachusetts in Pittsfield. Here he addressed an audience of 700 boys.

* * *

The ARCHON in behalf of the school wishes to acknowledge the gift from Mr. Benjamin Pearson of a deed dated 1815 by which David Jewett conveyed to Mr. Pearson's great-great-grandfather $2\frac{1}{4}$ acres of salt marsh land on the edge of the Parker River. Mr. Pearson gave the land to the school two or three years ago.

On Thanksgiving Day Mr. James Duncan Phillips presented to the school a portrait of James H. Duncan, the grandfather of Mr. Phillips. The portrait is to be hung in the entrance hall of Duncan House. Mr. Duncan was the first mayor of Haverhill and was later a member of Congress.

* * *

On Saturday evening, November 23, the Hampton Quartet gave a concert at school. The quartet provides one of the best entertainments that we have, and they sang many of the old songs which are favorites.

* * *

At the annual meeting of delegates of Private Secondary Schools to the New England Association of Colleges and Secondary Schools held on December 2, Mr. Eames was appointed to membership on the newly created National Defense Committee.

THE GOVERNOR DUMMER WILL

The following article was written for the ARCHON by Mr. James Duncan Phillips, president of the Board of Trustees. Mr. Phillips is an authority on the early history of Essex County and has written several books on the subject.

"In the Name of God, Amen" are the opening words of Governor Dummer's will and all that follows impresses the reader with the fact that our founder was a man of high character, generous mind, and had a love of his fellow men.

The original of this will, written in a beautiful clear hand, was recently purchased by the President of the Board of Trustees from a dealer in autographs. After changing about for a hundred years or so in unknown hands, it will find its ultimate resting place in the Academy.

The first clause of the will, and the one probably the nearest to the heart of the old Governor, gives his farmhouse in Byfield Parish to the minister of the parish and to five of its principal inhabitants who shall be elected at the town meeting, the income to be used to build and support a grammar school and school master. The master is to be appointed for life unless a majority of the Overseers of Harvard College shall adjudge him incapable due to "sickness, advanced years and inability or by a profligate wicked life". No scholar shall be admitted to the school except "such as can read English well". Such was the beginning in 1756 of the oldest private school in the United States.

The remaining twenty-seven clauses and two codicils except clauses 19 and 20 give his large estate to his sister Anna Powell and her children and to other friends and dependents. His nephew Jeremiah Powell is his real heir and received his house in Boston and all that went with it. This Jeremiah was a distinguished military officer in the French Wars and one of the early proprietors of North Yarmouth on Casco Bay, Maine. Governor Dummer also sets free his negro slaves who were employed on the farm and as house servants, and on each he settles a generous portion of money. He leaves them under the supervision of Dr. John A. Pierpont, who is to watch over their future welfare.

Clauses 19 and 20 give L200 to Harvard College, one third for the general purposes of the college and two thirds to increase the

salary of the professor of Divinity and Mathematics.

The will is dated June 26, 1756, and is witnessed by Peter Johonnot, Gregory Townsend, and an Ezekial Price. The witnesses to the codicils include Nathaniel Richardson and William Bant. All bear the certificates of Thomas Hutchinson, Judge of Probate. Hutchinson was of course later Chief Justice, and Governor when the Revolution broke out. No man served Massachusetts better, loved her more, or was as much hated by the people as Governor Hutchinson. Johonnot was a rich merchant of Boston, descended from a distinguished Huguenot family which had served their city well. Gregory Townsend belonged to a family that came when the colony was founded and had supplied many distinguished men to her service. Both were Tories and were included in the list that signed the address to Governor Hutchinson, which meant they were both included in the Act of Banishment. Richardson, Price, and Bant were less notable names and probably died before 1775.

All in all the will is a notable document signed by men famous in their time for philanthropy and public service, and it is one of the misfortunes of history that the bitterness inevitable in the Revolution should have gone so far to obliterate the memory of the services of such men.

CUSHING STROUT DIRECTS DRIVE FOR RED CROSS MEMBERSHIPS

The annual campaign for Red Cross memberships is now being conducted by a committee of boys under the direction of Cushing Strout. Each boy and member of the faculty is being asked to join and to contribute a small amount.

The boys on the committee are as follows: Joseph Brady, Malcolm Burr, Robert Covert, Lewis Harrower, Howard Hill, Thurber Holt, Harold Leinbach, Andrew Little, John Miller, Guy Nichols, William Noyes, Herrick Randall, Anthony Reddy, David Ritchie, Harry Skinner, and Howard Stirn.

THE WORLD OF BOOKS

Hanging on the wall of the Noyes Library is a framed copy of the following quotation:

"The world of books is the most remarkable creation of man; nothing else that he builds ever lasts. Monuments fall, nations perish, civilizations grow old and die out and after an era of darkness new races build others. But in the world of books are volumes that have seen this happen again and again and they live on still young, still as fresh as the day they were written, still telling men's hearts of the hearts of men centuries dead."

—Clarence Day.

Clarence Day states the value of books in terms no man can deny, and the quotation is a challenge to all who read it to avail themselves of the unlimited opportunities offered by the world of books.

The library of any school is one of the most important parts of that school, and it is up to the boys to realize its values. Here at their very finger tips are tremendous sources of knowledge and pleasure, sources which must be tapped if they are to make the most of the education which is being offered to them. Faithful use of the library, whether in merely browsing about or in definite research work, will reap huge and unexpected rewards.

Here at Governor Dummer the school has gone to great lengths to encourage and aid in the use of library books. Early in the fall the entire library was recatalogued to make it more workable. Many volumes were rebound to make them more attractive and usable.

New books are constantly being added. For instance the faculty has organized a book club to buy current publications, all of which will be donated to the school at the conclusion of the year. Friends of the school have been generous in their gifts to the library, a notable instance being the large number of volumes received by the will of the late Mr. George Noyes Whipple. Also, under the direction of Mr. Freiday, constant purchases are being made to keep the library up to date.

To further the training of the students in the use of the library, some of the faculty wives and masters have volunteered to be present at times when it is most commonly used. By this method the boys are being taught how to do reference work more effectively and how to find books more rapidly.

Much effort is being made to make the school conscious of its library. Once a month a library bulletin discussing recent acquisitions is being distributed, and the BOOK FAIR served to show the latest and best of current publications.

With such an opportunity at hand to become acquainted with books, which, as Clarence Day has said, are amongst the few lasting creations of man, it is a grave error on the part of anyone not to use the library either for pleasure or for supplementary knowledge. As Francis Bacon said, "Reading maketh a full man."

D. T. G.

HANS HEINZ BOSENIUS

The school recently received word of the death of Hans Heinz Bosenius, German exchange student in 1936. Bosenius, who was a non-commissioned officer in the German Army, was killed on the 16th of September, 1939, in the storming of the Citadel of Brest-Litowsk in northern Poland.

RICHARD HAWES FRANCIS

Richard Hawes Francis of the Class of 1936 was killed on November 18 when his car left the road and plunged down an embankment between San Francisco and Gilroy, California. Francis was the eldest son of Clarence Francis, President of the General Foods Corporation and former Trustee of the Academy. Francis was a student here for two years and in that time made himself one of the outstanding boys in his class. He was a member of the Glee Club and of the varsity football and basketball teams.

DEERFIELD EXTENDS HOSPITALITY TO STUDENT BODY AND FACULTY

At 8:30 sharp on the morning of Friday, November 15, two bus loads of spectators left the school for the annual trip to Deerfield Academy to witness the soccer and football games with Governor Dummer's greatest rival. This year almost the entire student body and faculty were able to enjoy Deerfield's famous hospitality.

The buses arrived in time so that the boys were able to witness the soccer game, and everyone was invited to a buffet lunch. The football game took place at 2:30, and a feature of all games is the performance of the Deerfield band, which played "Hail Governors" in front of the Governor Dummer stands during the half.

Following the game the biggest treat of all came. The boys were invited by Mr. Boyden to partake of anything they wanted in the way of refreshments at the huge new soda fountain which is a part of the recently constructed school store in one wing of the gymnasium.

The buses left Deerfield at about 5.30, and after a stop in Fitchburg for supper arrived back at school about nine o'clock. This excursion is always one of the features of the Fall Term, and its success is entirely due to the kind hospitality extended to us by Mr. Boyden, the faculty, and boys of Deerfield Academy.

LARGE GATHERING VIEWS GOVERNOR DUMMER BOOK FAIR IN LIBRARY

The first BOOK FAIR ever held at Governor Dummer Academy took place in the Library on Sunday, December 7. In the fair were over 150 separate items of current publications, covering a large and varied field. The majority was in the field of the novel, but included were biography, books of humor, science, and miscellaneous material.

The books were on view from after church in the morning until Vespers in the evening, and during that period the FAIR was inspected by between 75 and 100 friends of the school from Newburyport, parents of day boys, and practically the entire student body.

The fair was arranged and supervised by Mr. Freiday with the aid of Mrs. Kirk, Mrs. Jennings, Howard Stirn, and Grosvenor Potter, and the books were supplied through the courtesy of Mr. John C. Campbell of the Personal Book Shop in Boston.

SCHOOL IS HOST TO EPISCOPAL LEADERS; BISHOP SHERRILL SPEAKS

The men of the Ascension Memorial Church in Ipswich were hosts to the Men's Division of the Church Service League of the Episcopal Diocese of Massachusetts at a dinner given in the dining hall on Thursday evening, November 7. The Church Service League is made up of men who are active in the work of their respective parishes. About 150 were present and Academy boys who attend the Episcopal Church served as waiters.

During the dinner community singing was led by Mr. Sager of the faculty with Mr. Stone as accompanist. Following the meal a word of welcome was said by Mr. Eames, and the principal address of the evening was delivered by the Rt. Reverend Henry Knox Sherrill, Bishop of Massachusetts. He spoke of the Episcopal meeting which he had just attended in Kansas City and then went on to emphasize the necessity of active and vigorous support of the church in the present troubled times. Mr. Lispenard B. Phister, a member of the Board of Trustees of the school, also spoke, giving an account of the Kansas City meeting from a layman's point of view.

TRUSTEES WELCOME NEW MEMBERS AT DINNER GIVEN BY MR. PHILLIPS

Mr. James Duncan Phillips, President of the Board of Trustees, gave a dinner at his home in Topsfield on Wednesday evening, November 13, for the members of the Board in order to welcome the two new members who were recently elected.

Besides the two guests of honor, Mr. Marshall B. Dalton and Mr. William S. Nutter, the dinner was attended by Dr. Arthur W. Ewell, Dr. Frank L. Boyden, the Reverend Glenn Tilley Morse, Mr. Lispenard B. Phister, Mr. Charles H. Taylor, Jr., Mr. David Wheatland, Mr. Leon M. Little, Dr. Claude Moore Fuess, and Mr. Eames.

In connection with the dinner an exhibit of old school documents and pictures was arranged in the library by Mr. Phillips and Mrs. Stone, who has charge of the memorabilia collection of the school. The feature of the display was the first public showing of the original will of Governor Dummer, which Mr. Phillips purchased last year from a dealer in autographs after it had for years been in unknown hands.

CHRISTMAS DINNER

(Continued from Page 1)

South Carolina, and Richard G. Williamson of Augusta, Maine.

Backs: William A. Davison of Bromley, Kent, England, Frederick P. Jellison of Newbury, Guy H. Nichols of Bradford, Robert A. Pickett of Cooperstown, New York, and Lee K. Whittles of Glastonbury, Connecticut, captain of the 1940 team.

A managerial letter was awarded to Robert G. Jurgenson of Portland, Maine.

Mr. Navins presented the letters to the soccer players, who had the most successful season since the sport was started at school. Letter winners were: William C. Abbott, Jr. of Salem, Joseph C. Brady of Englewood, New Jersey, Malcolm Burr of Winchester, Thomas C. Collins of Worcester, Louis des Cognets, 3d of Worcester, Walter K. Dietzgen of Chicago, Illinois, Eugene Gardner of East Orange, New Jersey, David S. Jarvis of Worcester, Bruce W. King of Danvers, James B. Melick, Jr. of Rye, New York, James Monroe, Jr. of Delray Beach, Florida, Paul S. Morgan of Worcester, Humphrey B. Simson of Summit, New Jersey, Lester Stearns, 3d of Pittsburgh, Pennsylvania, Howard F. Stirn of Staten Island, New York, and David T. Goodhart of Syracuse, New York, 1940 captain.

A managerial letter was given to John R. Miller of Swampscott.

A special committee of boys helped plan the Dinner and much of the credit for its success must go to them. The following boys assisted on the committee: Thomas C. Collins, Chairman, Neal W. Cox, Jr., Philip N. Garfield, Robert B. Harris, Robert C. Hoffman, Henry W. Kelly, George H. Leach, Jr., Peter S. Morgan, Alexander Murchie, Jr., Joseph A. Oates, Vaughan P. Pitman, Arthur O. Wellman, Jr.

THE 1940 GOVERNOR DUMMER VARSITY FOOTBALL SQUAD

MISSED EXTRA POINT SPELLS

7 TO 6 DEFEAT FOR GOVERNORS

For the second straight year failure to kick a point after touchdown meant defeat for Governor Dummer in its climactic encounter with Deerfield. In losing 7 to 6 at Deerfield on Friday, November 15, the Governors played a game almost the exact counterpart of last year's struggle. Outplaying their heavier opponents throughout the first half, the Red and White were worn down in the later stages and Deerfield was enabled to put over their winning counters.

Late in the first period Guy Nichols ran a punt back to Deerfield's 48 yard line and two plays later Fred Jellison received a pass from Captain Whittles, advancing the ball to the 15 yard line before being dropped. Nichols and Bob Pickett then took over and pushed the ball to the three yard line, with Pickett covering the remaining distance with a bull-like charge through the center of the Deerfield line. The try for the point, however, was swarmed under.

With the Governor Dummer line displaying superb defensive ability, neither team was

able to gain much ground in the second quarter.

Gordon Johndroe opened the second half with a long kickoff to Deerfield's 10 yard line, but a nice runback brought the ball out to the 30. With Deerfield raging to get a score, it was only the brilliant backing up of center Clay Currier which held the home team back in the third period. In the last quarter Deerfield maintained control of the ball and after advancing into Governor Dummer territory, Moakler staged a spectacular 40 yard end-sweep for a touchdown with but five minutes of the game remaining. Mills was then substituted and made good the winning point.

The lineup:

TABOR ACADEMY FALLS BEFORE SCORES OF GOVERNORS' ELEVEN

Governor Dummer invaded Tabor Academy at Marion on Saturday, November 9, and brought home a 25 to 6 victory.

As the game opened, the Governors seemed extremely overconfident and were constantly kept back on their heels by the fighting Tabor team. Early in the second period Tabor pushed Governor Dummer down the field with spinners and line bucks to go for a touchdown.

This brought the Red and White back to life, and it was not long before Bob Pickett broke through the Tabor line and raced 65 yards over the goal line. Late in the same period with Randy Morris and Pickett carrying the ball, another score was made, Pickett taking the ball over.

In the second half the Governors showed real power. Another parade was staged with Guy Nichols and Morris as the spearheads. When the ball had reached the Tabor 25 yard line, Pickett ran the remaining distance for his third score. The final Governor Dummer points were garnered when Gordon Johndroe recovered a fumble on Tabor's 35 yard line and a few plays later Pickett made his fourth touchdown and booted the extra point.

EARLY SCORE STARTS GOVERNORS TO CLOSE VICTORY OVER THAYER

Visiting South Braintree on Saturday, October 26, the Governor Dummer varsity eleven toppled Thayer Academy 14 to 6.

Opening the game in spectacular fashion the Governors advanced rapidly to the Thayer 5 yard line on a series of passes to John Mortimer and Harry Barr. Here the drive was stopped, but as Thayer attempted to kick out of danger, the ball was blocked by Gordon Johndroe and Mortimer, Barr making the recovery for the touchdown.

Late in the third period, Herlihy, speedy Thayer fullback, intercepted a Governors' pass and ran through the entire Red and White team seventy yards for a score.

In this quarter some fine running by Guy Nichols and Pickett carried the ball to Thayer's 18 yard line. Here Captain Whittles tossed a pass to Bill Davison for another score, and Pickett again accounted for the extra point.

DEERFIELD'S EARLY GOALS BRING VICTORY OVER GOVERNORS' TEAM

On the morning of November 15 the Governors played the Deerfield varsity at Deerfield and dropped the encounter 5 to 2.

Deerfield found a quick opening in the Governor Dummer defenses and taking advantage of every opportunity booted in two goals before the contest was ten minutes old. In the second period Dave Jarvis brought the Red and White back in the running by taking the ball through the entire Deerfield team and tucking it away from 15 yards out. This stirred up Deerfield, which scored again with but five minutes left in the half.

The home team added their final two points by slashing one in the third period and another in the last quarter. Jarvis then made it two for himself and the Governors.

GROTON BOWS TO GOVERNORS IN FINAL GAME OF SOCCER SEASON

The Governor Dummer booters brought their most successful season to a close as they tripped an inexperienced Groton eleven 3 to 1 at Groton on November 21. The final victory gave the team a record of six wins as against four losses.

GOVERNOR DUMMER SOCCER TEAM OUTPLAYS TABOR ACADEMY 3 TO 0

Tabor Academy became a victim of the Governor Dummer booters when it was out-classed 3 to 0 on Whipple Field on November 9.

The Governors played an excellent team game as they outpassed and outdrove the visitors. Dave Jarvis opened the scoring in the first period as he beat the Tabor goalie with a closeup shot. In the second period Tom Collins took the ball out of a mixup in front of the Tabor net and placed the ball beautifully behind the goalie.

In the third period Humphrey Simson climaxed a series of drives into Tabor territory to make the final count 3 to 0.

SOCCER TEAM TRIUMPHS OVER M. I. T. FRESHMEN BY 3 TO 0

The Governor Dummer soccer team defeated the M. I. T. Freshmen 3 to 0 at M. I. T. on October 26.

All the scoring came in the second quarter after a rather listless first period. As the Governors began to press, the first tally was rung up by Tom Collins on a long, accurate shot. Paul Morgan followed this score up by notching another long boot from about 25 yards out. Near the end of the period Dave Jarvis concluded the scoring by bringing the ball in close and slapping it in.

GOVERNOR DUMMER "A" SQUAD NIPS HAVERHILL FRESHMEN BY 7 TO 0

The Governor Dummer "A" squad proved its superiority over the Haverhill Freshmen by defeating them 7 to 0 on October 24.

Early in the first period as the visitors attempted to kick from their own 25 yard line, John Chapman broke through and blocked and recovered the ball on the 20. A few line bucks enabled Gordon Pirie to take the ball over and he also kicked the extra point.

SOCCER TEAM OVERTAKES BROOKS 4 TO 1 IN NORTH ANDOVER GAME

Rain failed to slow up the fast moving Governor Dummer soccer team as it took the measure of the Brooks School 4 to 1 at North Andover on November 13.

Following the usual custom of scoring early, Paul Morgan salted away the first point soon after the whistle. Tom Collins then went into action and followed suit with a long drive which connected with the nets and a short placement after a skirmish.

EXETER CAPTURES CLOSE CONTEST BY 2 TO 0 DECISION AT EXETER

The Exeter varsity soccer team proved too strong for Governor Dummer as the Red and White dropped a 2 to 0 decision at Exeter on November 6.

RAIN FAILS TO SHACKLE ELEVEN IN WIN AGAINST MOSES BROWN

In a steady downpour of rain which turned Morse Field into a huge mud-puddle, a superior Governor Dummer football team defeated Moses Brown 7 to 0 on Saturday, November 2.

Although the Governors gained almost at will in every period and although the visitors were unable to check the hard running of Bob Pickett, the hard fighting and determination of the Providence team kept the score down. Shortly after the opening kickoff Governor Dummer took the ball on their own 35 yard line and with a series of bucks and off-tackle smashes by Pickett and Guy Nichols marched down the field, Pickett climaxing the drive by taking the ball over from the 30 yard stripe and kicking the extra point to give the team the necessary margin.

In the second period the Governors threatened several times to score, but were stopped by the hard-charging Moses Brown line. In the waning moments of the half the visitors intercepted a pass to go into scoring position, but time stopped the threat.
